JOB ADVERT

General Farm Worker (full-time)

If you like the idea of an active, outdoor job working with animals, this could be the perfect career choice for you! We have a great opportunity for a positive, motivated person to join our second generation family run livestock farm situated in Oxfordshire.

We operate a large Sheep / Pig / Dairy enterprise. We are looking for a male or female with ability to follow instructions and work independently when needed.

The job would involve:

- working closely with the Farm Manager
- lambing and day-to-day husbandry of sheep
- understanding the process of how a pig breeding herd operates
- milking, scraping, bedding of dairy cows
- occasional calf feeding
- some field and fencing work during the Summer period

Skills and Abilities:

- competent tractor driver with license
- good knowledge of handling livestock with keen interest in and concern for welfare
- flexible and adaptable to meet business needs with a strong work ethic
- experience of feeding dairy cows with a mixer wagon would be advantage
- the position would suit somebody with at least 2 years milking experience
- some grazing experience is preferable

We can offer the right person a long term, secure, fulfilling job with opportunities available to develop and progress within the business.

Salary is dependent on previous experience. Cottage in the village will be provided.
