FARMERS'
CLUBS

2014 Summer Newsletter

We have had a fantastic spring period within young farmers, we started off seeing a coach load of people going to Blackpool for the NFYFC Annual Convention, where there was certainly great representation across the whole weekend from the county, we had Peter Archer from Bicester who was the NFYFC 'face' of the AGM weekend, we also saw our county choir compete in the national finals for the competition on the Sunday in the Empress Ballroom, I am sure all who attended will agree they did a fantastic job!! On top of all that we saw Poul Christenson, an ex Oxfordshire member re-elected as the president for of the national federation. It's great to see Oxfordshire representing across the whole country.

We have also seen our biggest event of the calendar, the county rally. The rally was held at Ditchley Park, by Enstone YFC. What a superb job they all did, and on behalf of the county thank you for hosting the rally this year. It is always great to see the participation from all members from 10-26 across all clubs taking part in the wide range of competitions and classes that are held on the day. All results of the rally are now on the county website, along with a few pictures from the day. Next year's rally is set to be hosted by Henley YFC.

Oxfordshire's success at South East Area continues to thrive, we saw a contingency of people head down to the South of England showground to compete in the stockman of the year and the area tug of war finals, again this was a great day and everyone who took part did a fantastic job, we saw Witney juniors and Henley men's win the Tug of War competition, best of luck to you both at the national finals in Tenbury.

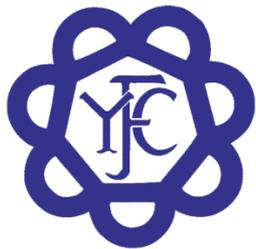

Preparations are also underway for the County Ball that will be held in October at The Oxford Hotel in Wolvercote. Tickets are now on sale through Lucy Amos at £40 each seated on tables of 12. Please spread the word to all members past and present, to help make the event a success.

The county advertisement trailer is due to be sign written in the next week, I urge you all to make use of this, to get out to as many events as possible, to help push forwards the Oxfordshire federation and help us gain new members.

Mike Jefferies Development Fund

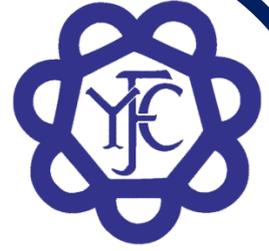

We shall be using the County Ball later in the year as an opportunity to raise some money for the MJDF. Following on from the success of previous years we have decided to hold a Charity Auction, each club has been tasked with finding a lot for the auction.

We are always looking out for fundraising ideas throughout the calendar year; please send your ideas in.
